Woman is created from the
rib of man,
Not from his head to be above
him,
Nor his feet to be walked upon;
But from his side to be equal,
Near his arm to be protected,
And close to his heart to be
LOVED!

Dedication

The Riffle is dedicating the yearbook to the business community this year, because of the support they've given to the school.

There's got to be a Morning After
if we can hold on through the night.
We have a chance to find the sunshine
let's keep on looking for the light.

Beckus
 well do
 almost ever
 and it makes
 me sure I love and
 to leave you and
 the park. Remember
 all our trips to Sac.
 and all the fun we had
 and all the party we
 and all the faces we
 see ya and going to
 good life and all the
 well I and going to
 in life and all the
 have.

P.S. Always
 remember me
 or I will cry
 see ya and
 this summer hope.

6/74

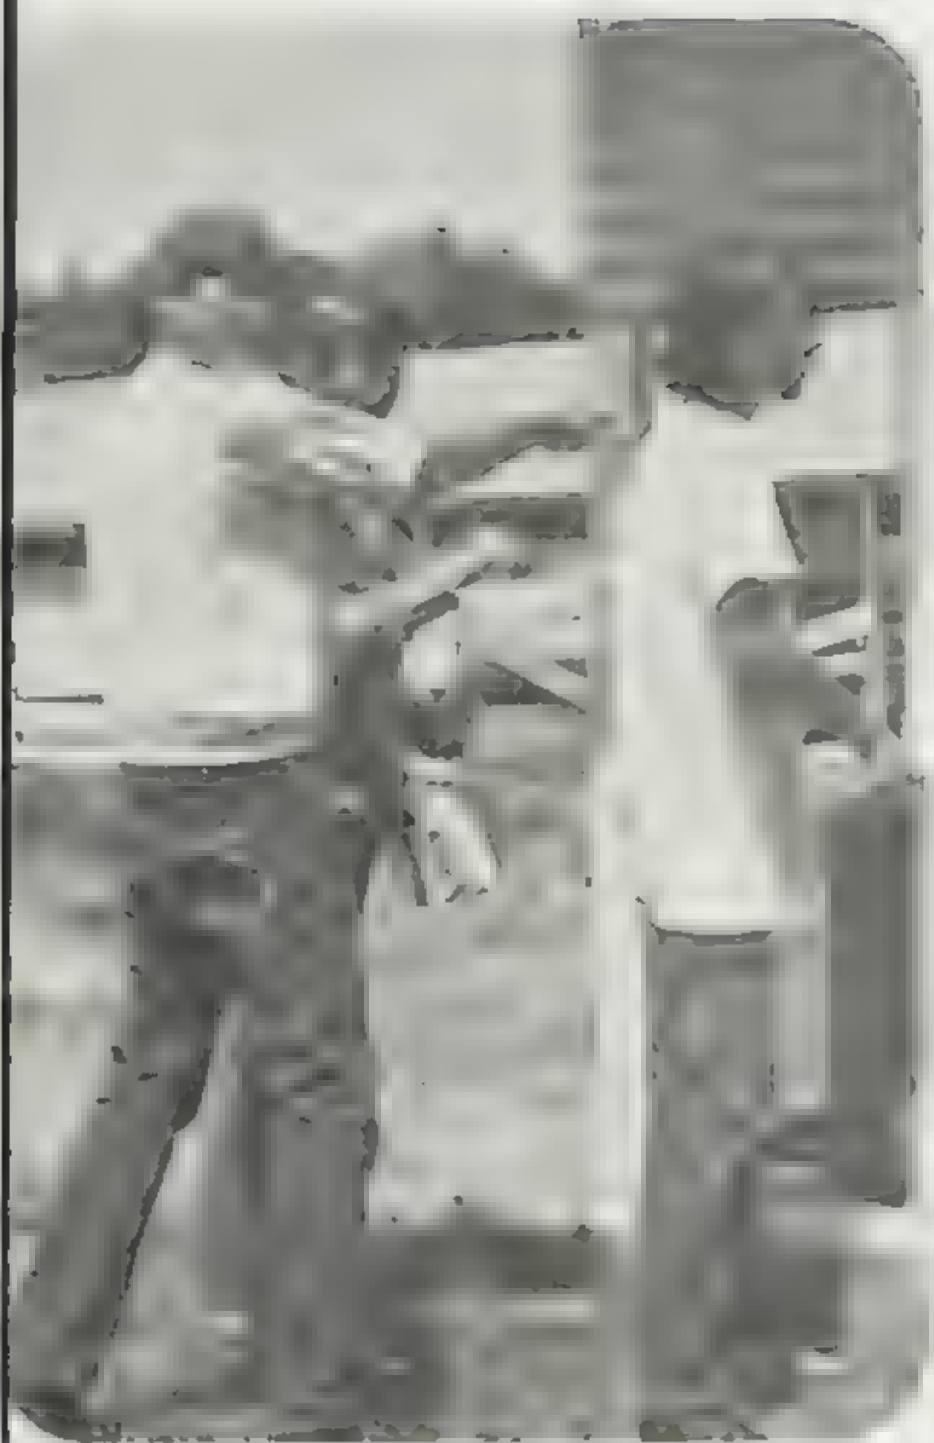

Oh can't you see the Morning After
 it's waiting right outside the storm.
 Why don't we cross the bridge together
 and find the place that's safe and warm.

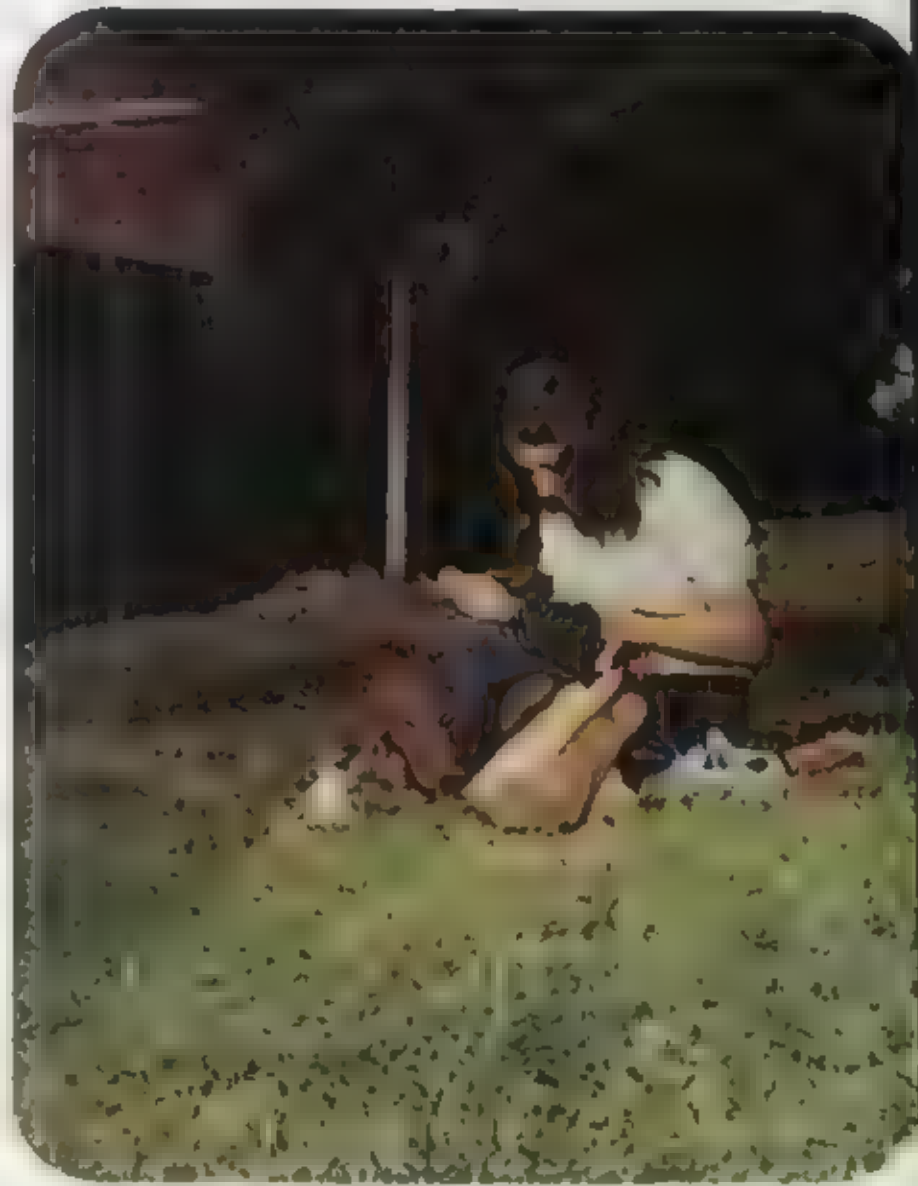

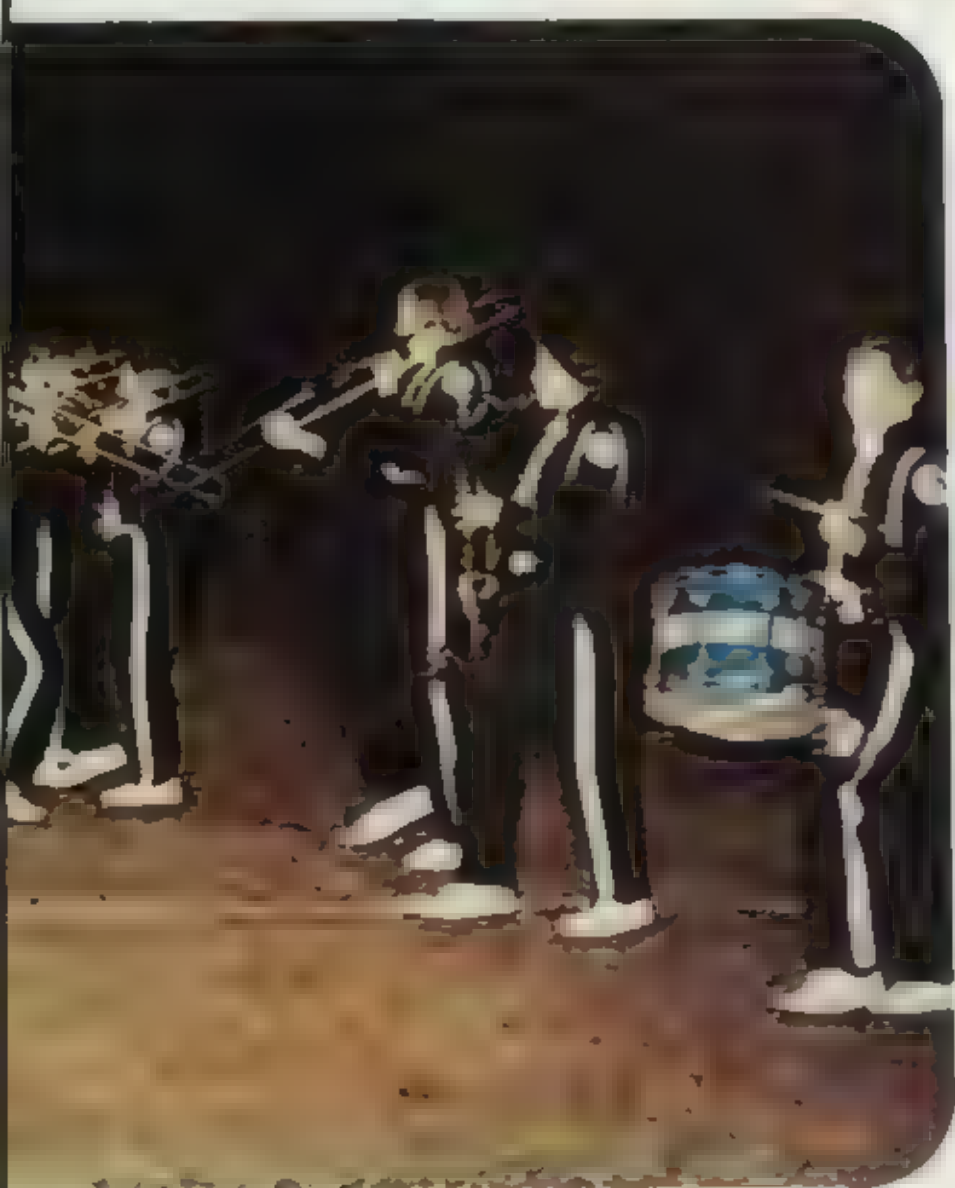

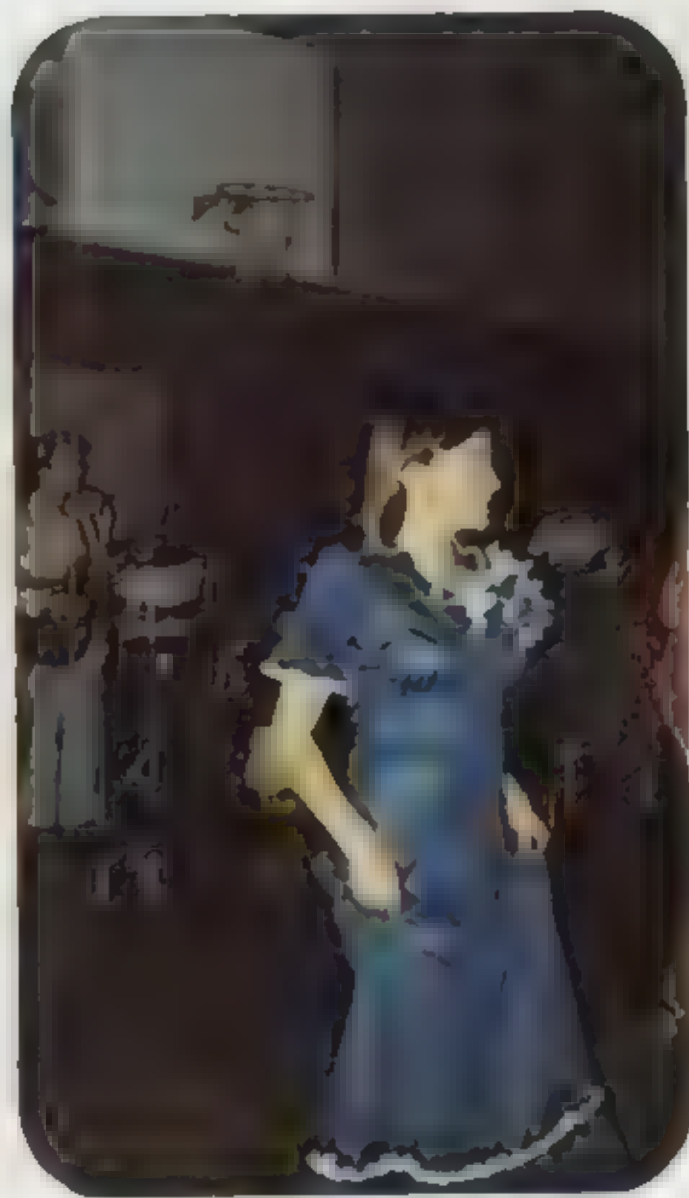

It's not too late
we should be giving
Only with love can we climb
It's not too late
not while we're living
Let's put our hands out in time

There's got to be a Morning After
we're moving closer to the shore
I know we'll be there by tomorrow
and we'll escape the darkness
we won't be searching any more

homecoming night . . .

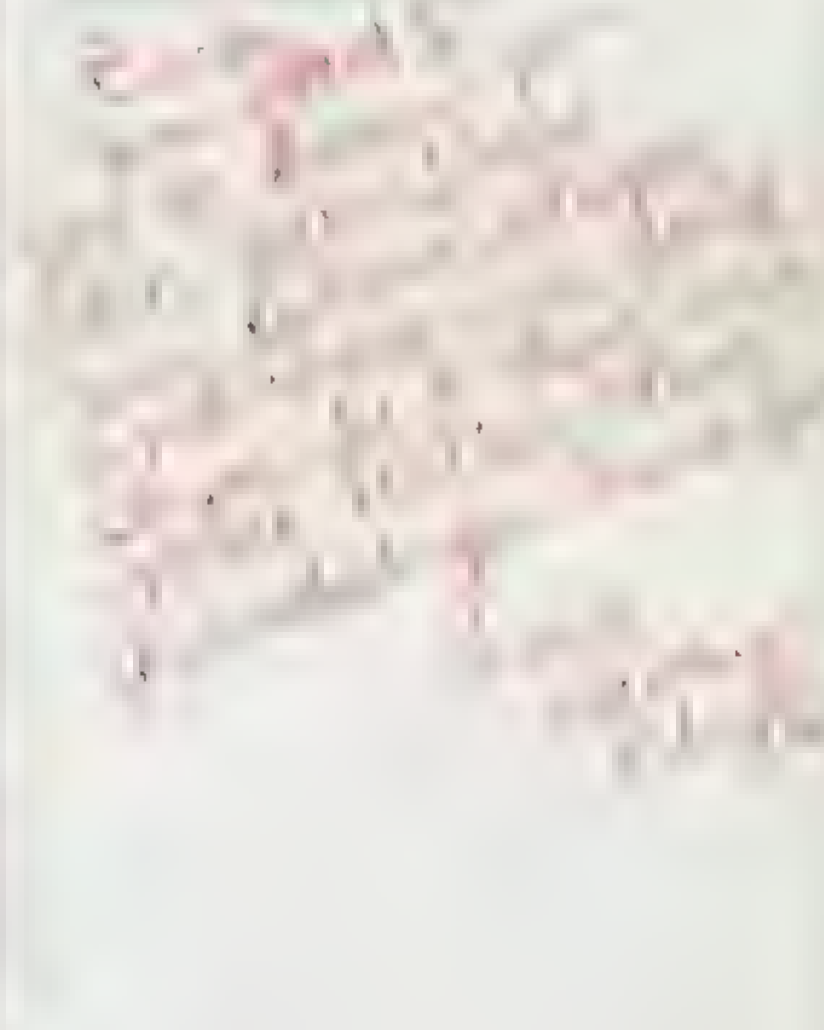

Homecoming Queen Daby Womack escorted by Mark McKinstry top reigned over the ceremonies of Homecoming night. The seniors topped off their week of victory by winning the float contest with their masterpiece pictured at bottom right.

Our team showed undying effort in their unsuccessful struggle to "WOMP ON THE WARRIORS" (above) but our loss was soon forgotten as people boogied away their troubles to the music of Our Joy (left and top left)

Floats Dazzled Onlookers

During Spirit Week, the class floats were worked on each night with serious concentration as shown by juniors Wendy Dezzani, David Cate and Terry Sherb (top right).

Seniors Margaret Parker, Kevin O'Meara and Rick Hitch carefully placed their Indian head with precision (bottom right).

Below, sophomores James Riley and Melanie Schroth add the finishing touches, attempting to make their float a success.

Above are the attempts of the underclassmen and the F F A to surpass the superior float of the Class of '74 (top left-freshmen, top right-sophomores, bottom left juniors, bottom right-FFA) At half time, the floats were paraded around the field and the winner was announced. THE SENIORS!

Class of '74 takes Spirit Week honors, again

The Seniors did a repeat performance of their sophomore year by winning the Spirit Week competition. Over all, the week was filled with excitement and mounting tension for the big game. The variety of dress up days, the rally, the parade, the game and the dance all contributed to a week of fun.

Below, Larry Parks, "The Stoned Ranger", leads the Thespians in another of their fantastic skits. Darlene Fassett and Denise Cook clown around with Miss Boesch (opposite). While John Mosbacher stuffs his face (middle right) the songleaders, in their 50's attire, rock on!

Galt's Homecoming Queen, Donna Mosbacher, depicts the beauty found at his high school (above left) Paul Floyd and John Riley seem entranced by Peggy Horton's costume (opposite), while the mascots, Linda and Vicki look petrified as the cameraman captures a surprise shot (above) The seniors (above) demonstrate the enthusiasm which made capturing Spirit Week a cinch

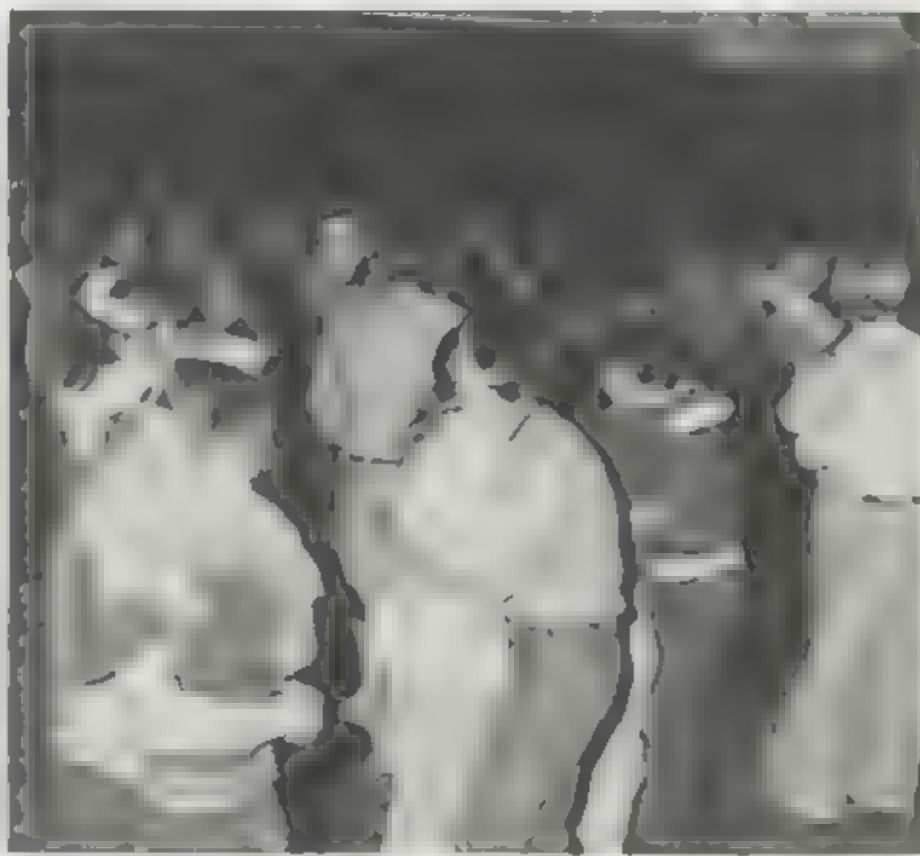

f.f.a. Gathered a Large Crop for Harvest Dance

This year's FFA proved to be one of El Dorado's most productive clubs by making The Harvest Dance a great success. "The Gathering" was an appropriate band as the crowd was one of the largest yet to attend the dance!

There was an atmosphere of suspense while both teachers, Miss Huffman and Mr. Vosburgh (below), and contestants Laura and Gail Albini (bottom right) await the announcement of the 1973 Harvest Queen

Sonia Gastaldi and Steve Jobson were two of the many people who danced to the music of "The Gathering" at our annual Harvest Dance (opposite)

This year's Harvest Queen, Kara Howard (top right) seems to be enjoying the dance as much as anyone, except Debbie Weston and Scott McKinstry (opposite)! The Harvest Dance seemed to please everyone as shown by many of the expressions above.

The Christmas Rally Was A Good Start To A Great Vacation

This was the year for brainstorm on the part of the Student Council. One was the idea of a Christmas rally. The result was a smash, and the final product was great fun for everyone.

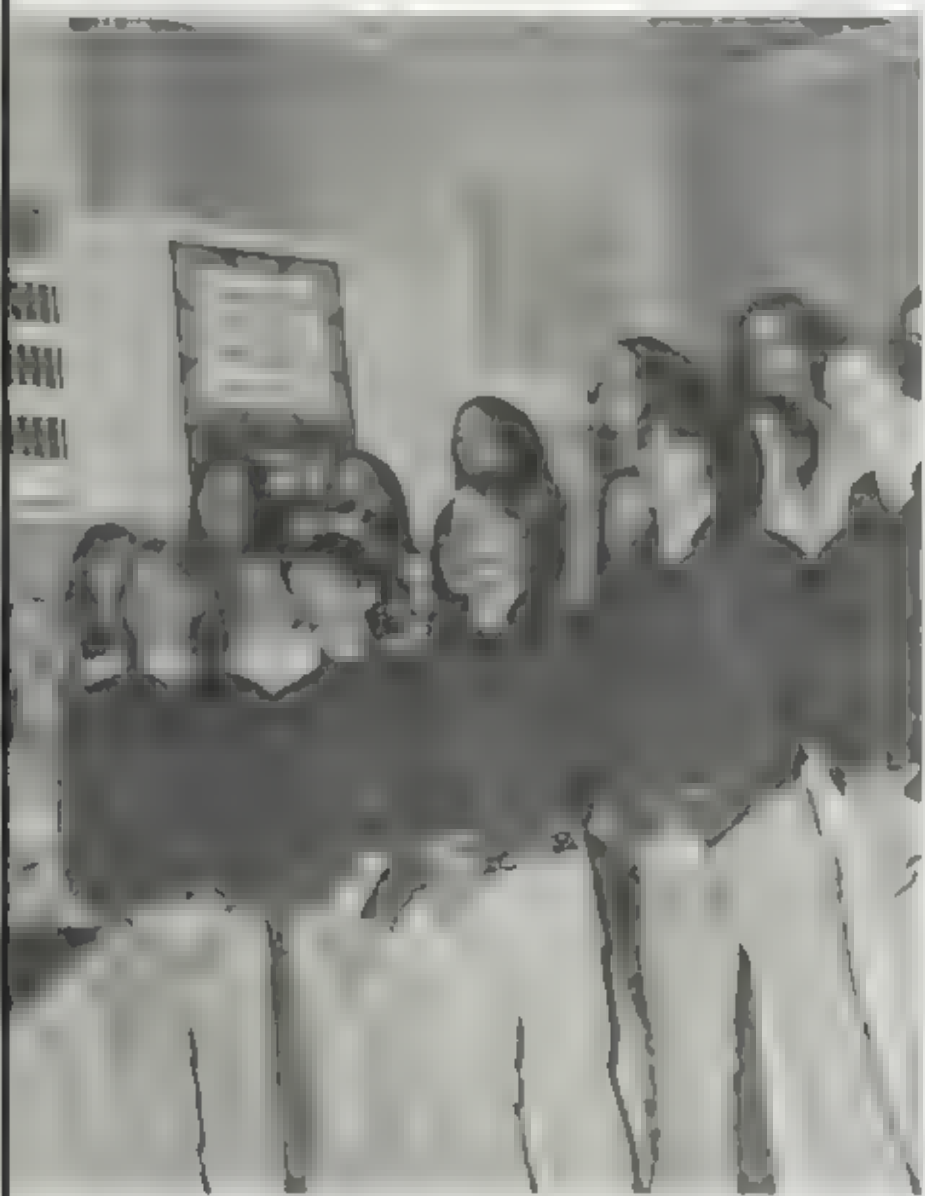

Big "O" had the custodial duty for the day (above) while Mr. Delaney played Santa Claus-sort of (top right). The Faculty-Student basketball game was a big success. The teachers watch in awe (middle right) as Miss Rocha deheads the opposition (above). Another big hit was Debbie Jobson's announcement of her new arrival (opposite).

Choir Concert Was One To Remember!

The Christmas concert put on by the 1973-74 choir proved to be one of their best efforts. With Mrs. McGahey as their advisor, the choir made the concert one to remember. Some of the highlights included a solo by our A F S exchange student Florci Esquivel (opposite)

Above, Mrs. McGahey gives the choir the "A-Okay" sign, showing her approval. The choir has increased in size tremendously this year, as shown by the group shots of the performance (opposite and above right)

Drama Roadshow Spread Christmas Cheer

This year, the Drama Club brought Christmas tidings to the elementary schools in the area by way of their fantastic roadshow. The Thespians deserve a lot of praise for all the work they put into the performance.

Below, the hardwork Lee Ann Flickinger put into her part seems to have aged her overnight. Many people were involved in the roadshow including Larry Parks and Eric Hill who are "tuning-up" for their music numbers. (opposite)

The roadshow attracted many strange guests, including Monty Whittaker (opposite), who was the bearer of gifts for everyone. Before the performance Scott Gruwell, Lori Scariot, and Chris Howell "psyche" themselves up and go over their lines (below) The driver of the late, late bus, Jim Feathers, delivers a group just on time for the show

Our Exchange Rallies Get Better Every Year!

Many were surprised at the abundance of talent that was showcased in the exchange rally this year. Every type of talent was represented from the Drill Team (below) to a gymnastics routine by Toni Wilson and Sue Steele (bottom right). The C S M O did a repeat performance of their fantastic skit "The Twelve Years Of School" (bottom left). Most popular, however, were The Hammond Brothers (opposite). Singing such songs as "An Okie From Muskogee", they were called upon for an encore!!

Many of the acts were musical as shown above. Vocalists Larry Parks and Eric Hill were very popular with the crowd (top left), as were instrumentalists Tony and the Spic Licks (top right). The jazz band demonstrated the talent that won them the right to represent California in Europe this summer (middle left), and the choir (opposite) sang their hearts out. Mike Yurkovic and Brett Hamilton arrived incognito and surprised the Ponderosa student body with their "soul boogie".

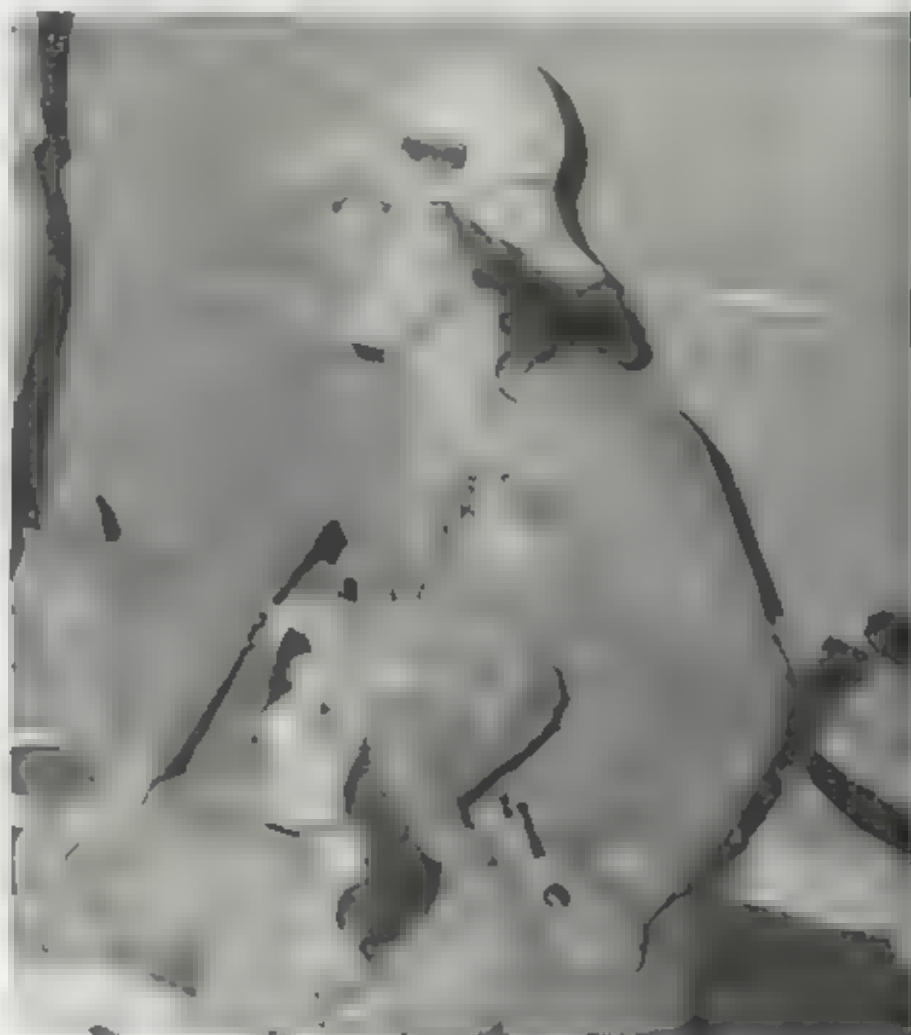

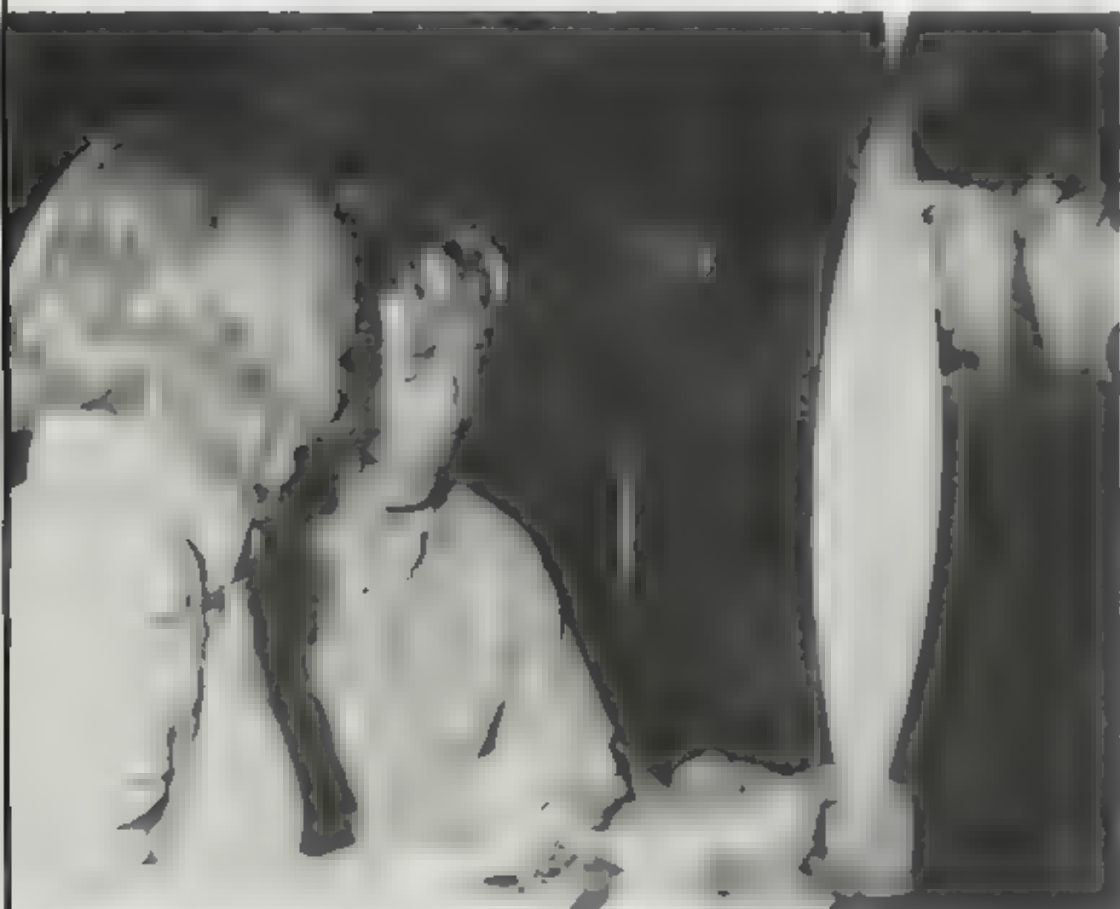

All parts of the symphonic band were represented throughout the performance. The trumpet section was outstanding (top left), and Kevin Sorbello treated the audience with a sample of his gifted talent (above). Lee Comer on the French horn (top right) and Debbie York on the clarinet perform with concentration as the light shines on the whole band reflecting a mood of sincerity (opposite).

WINTER CONCERT CAPTIVATED THE CROWD

The choir and the concert band made their final concert a memorable one this year. With accompanist, Wayne Von Runnen, the choir jubilated the crowd with songs such as Aura Lee (top). The spotlight captured many moods that night. Mr. Anderson and John Bosch exhibit moods of precision and determination (opposite and above).

Sadie Hawkins Was a Wingding of Memories

Even though it was held at Markham this year, Sadie Hawkins was a smash. Many couples were "hitched" by Preacher Egor including Curt Hamady and Helen Peck (top left). Murna Murphy and Gary Harp (top right) took the best costume prize and Debbie Botnen was first-runner-up for Miss Sadie Hawkins (above). The band, White Fire was great and everyone enjoyed them, especially Darien Davis (opposite) who seems to be enjoying everything!!

Elaine Miller admires the bouquet of daisies she received as Miss Sadie Hawkins (top left), while Tim Taylor (above) accepts the honor of the "The Harriest Guy". A main attraction at the dance was the old-fashioned hayride. Erin Combs, Nannette Willey and their fellows enjoy the night air (among other things)! Marie Kenworthy and Glen Corson (opposite) obviously enjoy the food as they gorge themselves.

Homecoming Ignited a Spark of Enthusiasm in Freshmen

Freshmen promoted spirit all through the year, and homecoming was one example of the support inspired by the class of '77. Their second place float (pictured below) proved that their great effort was well rewarded

This years J V team was young, ambitious, and hard working while they gained a great deal of knowledge of football. The first six games averaged a score of 45 points per game. A new offense was then installed and the score jumped to an average of 16 points per game. This change sparked the players to a new spirit and confidence.

The Boy's Varsity Basketball team did as well as could be expected with the large number of injuries they had. The main injuries were those of Spencer Weston and Rudy Beaver, who both ended their season early.

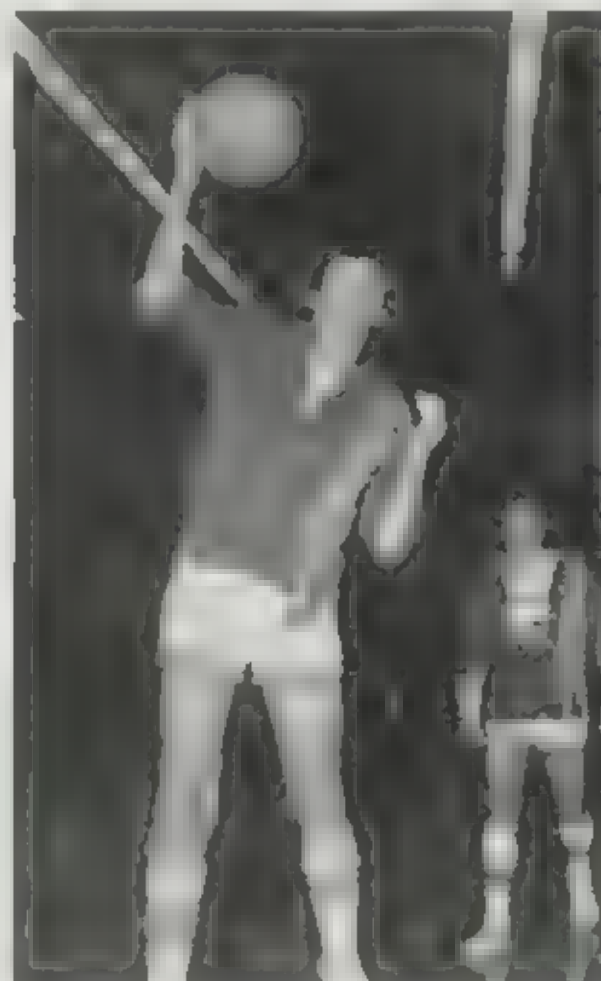

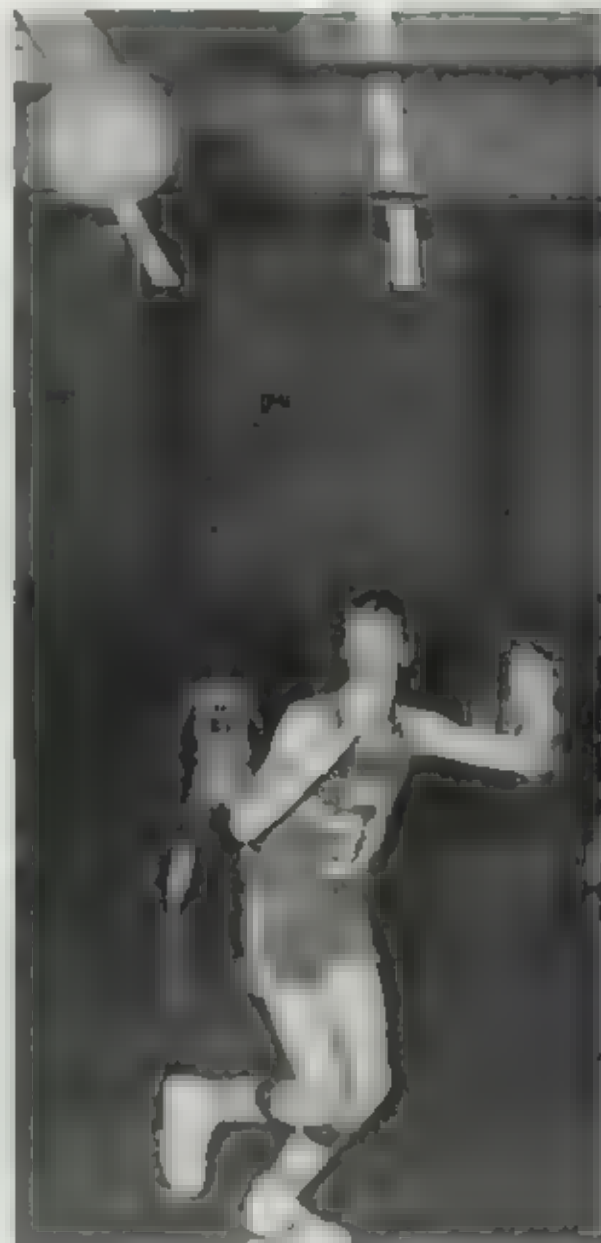

The season finished with a 5-5 league record and 10-11 overall. El Dorado lost to Marshall, Galt, Folsom, Casa Roble and Davis, within only a few points difference.

During the league games, El Dorado lost their first three games to Jesuit, Folsom and Galt before coming out of their slump to beat South Tahoe. The team was then beaten by Ponderosa in a close game followed by another loss to Jesuit. They then won their next three games by overpowering Folsom, Galt and South Tahoe. The season concluded on a good note by demolishing our cross town rivals, Ponderosa.

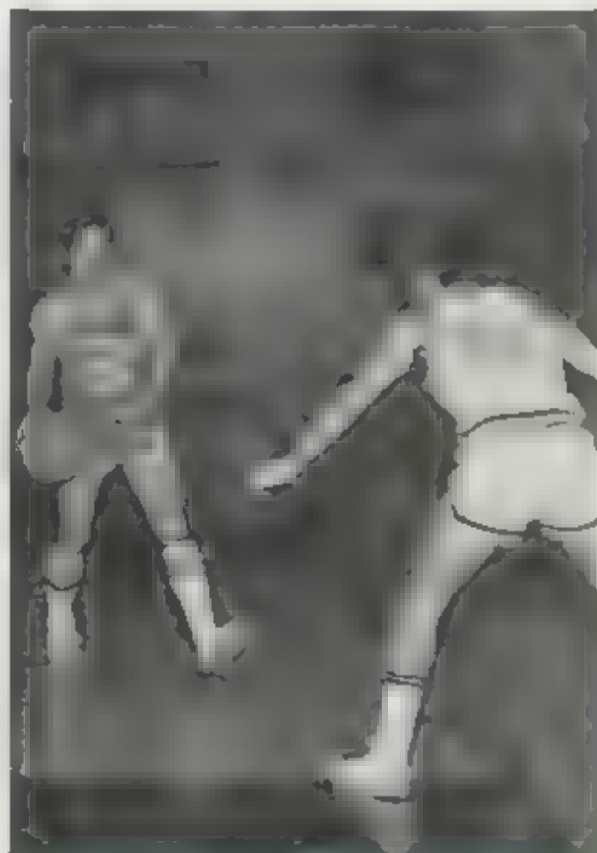

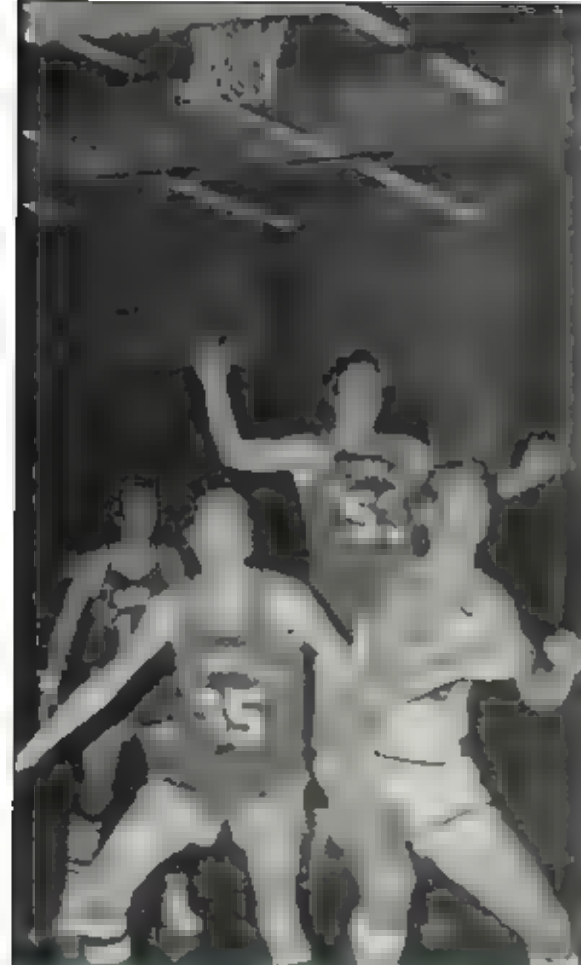

Next year's team seems very promising since many Juniors are returning.

Girls' Basketball Set El Dorado Tradition

The Girl's Varsity Basketball Team was undefeated in league action for the second year in a row. They overwhelmingly beat Wheatland Nevada Union, Placer, Oakmont and East Nicholas. The games were won by a large margin of points.

In tournament action, El Dorado did excellently. They placed second to Edison of Stockton, for their first showing at a tournament in two years. The team played probably their best game of the season against Bishop O Dowd to get into the finals. The game against Edison was close, with El Dorado losing by only a few points.

The second tournament turned out just as well with El Dorado winning the consolation trophy. They lost to Hiram Johnson, but succeeded in beating Jackson and Burbank for the trophy. This was their second come-from-behind win over Jackson.

Cindy Wilkinson sparked the defense and offense all season. She was chosen the most valuable player.

Top left, Janell Pillow shoots against a tough Placer defense. Top, middle, Gayl Cate proved to be a good ball handler for the J V. Top, right, Cindy Wilkinson shows her shooting and rebounding skill in one leap. Above, Miss Vitell gives a brief pep talk to the team during a time out.

The Junior Varsity Basketball team had a very successful season also. They concluded the season with a 6 wins — 1 loss record. Their only loss was their first game of the season. The game was close with El Dorado losing to Wheatland only two points.

Coach Rocha singled out Kim Veerkamp for her high free throw percentage and Celeste Painter for her improvement over previous years. She selected Rhonda Conrad as the most valuable player.

SOCCER POWER!

Behind the coaching of Mr. Gernes and Mr. Denaga, this year's spirited soccer team overpowered everyone that met them on the field. With number one shining in their eyes, they drove to achieve that goal. Behind some fantastically fast footwork, the team captured number one in the North Metro League. They placed fourth in the Metro Playoffs. Four players received honorable mention in the All-Metro team. They were forward Allardice, halfback Arundell, fullback Sides, and goalie O'Meara.

The 1974 Wrestling Team finished in 3rd place with a 12-5 win-loss record. Thirteen members of the team wound up in the sub sections, two of whom (Jim McKenzie and Norm Jones) went on to the sections. Jim, the captain, had 20 pins and was honored as the Most Valuable Wrestler. Norman Jones was voted Most Inspirational Wrestler. The team was made up of mostly sophomores and juniors so they are looking forward to a winning season next year.

Gary King (opposite) awaits the referee's whistle, and Allan Wetzel clearly holds the upper hand on his opponent (top right). Paul Floyd (above) gives it his all as he takes on a Ponderosa opponent.

The ski team progressed much this year with the Varsity girls doing exceptionally well. In league results, Kathy Wheeldon placed 4th out of 50 skiers followed by Polly Schell placing 5th and Erin Combs and Carmen Kennedy placing 8th and 12th respectively. The Varsity boys did well also with David Jermstead placing 15th. Freshman Greg Wheeldon was pointed out for having great potential in his future years at El Dorado.

Next year's team should do as well if not better. The team has only one senior with all other members returning.

Swim Team EMERGED No. 1

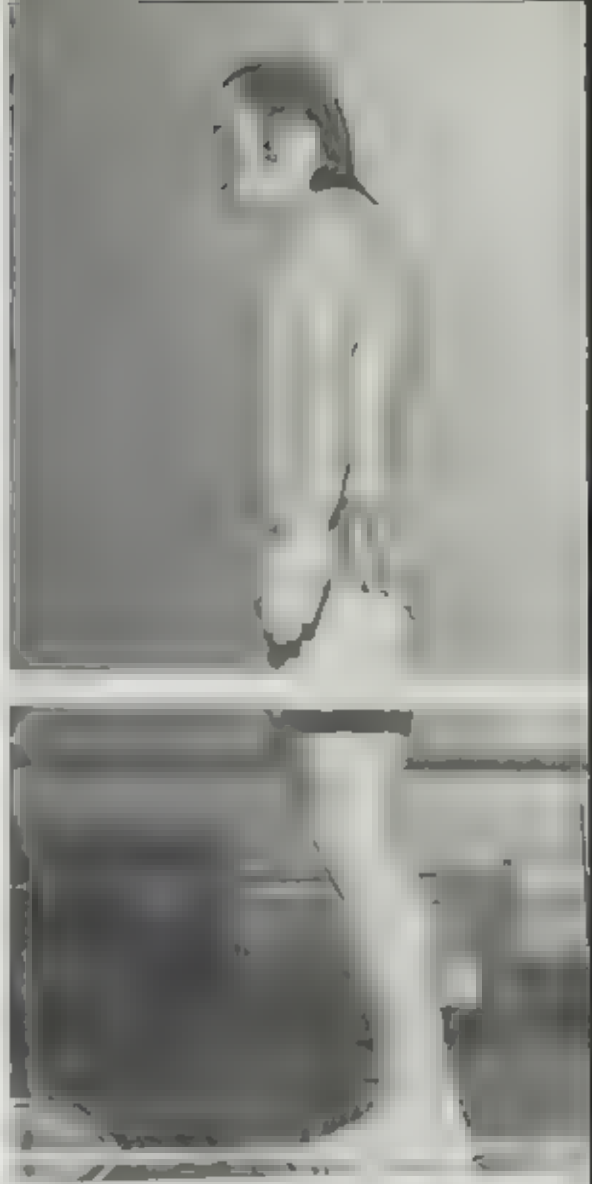

This year's girl's swim team defeated four other teams to end the season victoriously. Their first victory came easily, a forfeit from Del Oro. The next two meets were won almost as easily with wins of 96 to 72 over Oakmont and 102 to 47 over our rival, Ponderosa. The swim team barely squeaked by Roseville at the relays. At the final meet El Dorado had 210 points compared to Oakmont's 94, Ponderosa's 54 and Del Oro's 44.

Many individual and relay records were set. Seven records were set for the J V team, 2 of them relay. Seven records were also set for the Varsity, 2 of them relay. An outstanding performance was given by Shawn Netherde setting three individual records and participating in the 200 yd freestyle relay to set another record.

The team should do very well next year with only two seniors on this year's team.

Swimmers Splashed To a Super Season

The swimming and diving team did a great job this year. The team was young and full of the winning spirit. This was the first year the girls were allowed to compete, and they helped the team a great deal. Coach Kenworthy expects a good return.

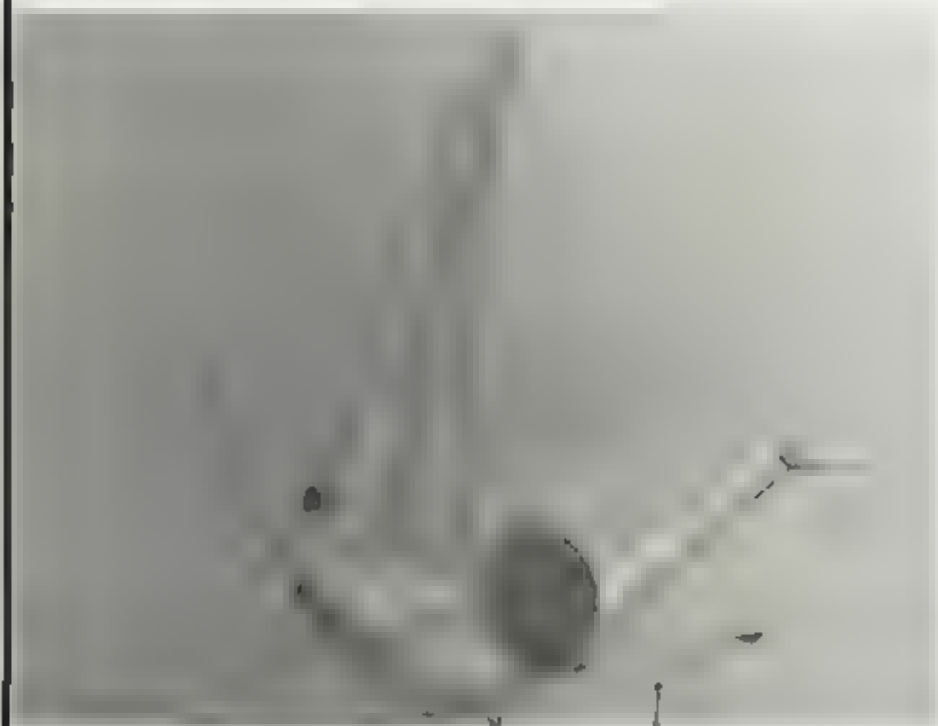

Dean McDavid (top left) reveals his secret in getting off the blocks first; he pretends he's Superman! Marvin Sides (top left) did a great job for the diving team this year and his skill will be missed next year. Leonard Payton (opposite) impatiently awaits for his race to start, and some of the younger members of the team (above) cling desperately to the side. Could they be afraid of the water?

Members of this year's swimming and diving team were (top row) Jim Young, John Riley, Bob Burst, Leonard Peyton, Scott McKinstry, Glen Corson, Dale Gring, Chris Rasmussen, Kevin Corson, Richard Martinez, (middle row) Dean McDavid, Kevin

Kenworthy, Curt Lomax, Ed Willy, Brian Donahue, Jim McKenzie, David Botnen, Steve Berthamer, (bottom row) Mark Christoff, Merideth Riley, Debbie Johnson, Shawn Natherda, Kris Bolton, Lisa Winkler, and Janet Riley.

This year, the girls were a great help to the diving team. Janet Riley (middle left) demonstrates her style and grace. Scott McKinstry (above) swims to the lead and two of the butterflyers, Lisa Winkler and Jim Young (opposite) battle for first place.

The team was young this year and Coach Kenworthy expects an even better team next year. Mr. Tamblyn, the diving coach, regrets the loss of Marvin Sides next year, but looks towards a good season in the fall.

Members of the 1974 Varsity Baseball team are (top row) Eric Jennings, Jim Simerly, Jay Winkler, Bill Patterson, John Vardanega, Dave O'Halloran, Rick Dyer, (middle row) Coach Rucobo, Casey Morris, Phil Chandler, Kevin O'Meara, Pat

Varsity Baseball Slid Through Another Season

This year's baseball team was experienced and aggressive under the supervision of their long-standing coach, Vince Rucobo. Many of the members were seniors and their presence will be greatly missed next year. Those remaining, however, and those coming up from the J V team look promising. Next year's team should be something to look forward to.

The team was encouraged by those on the bench (opposite) and in times of need, they came through strongly.

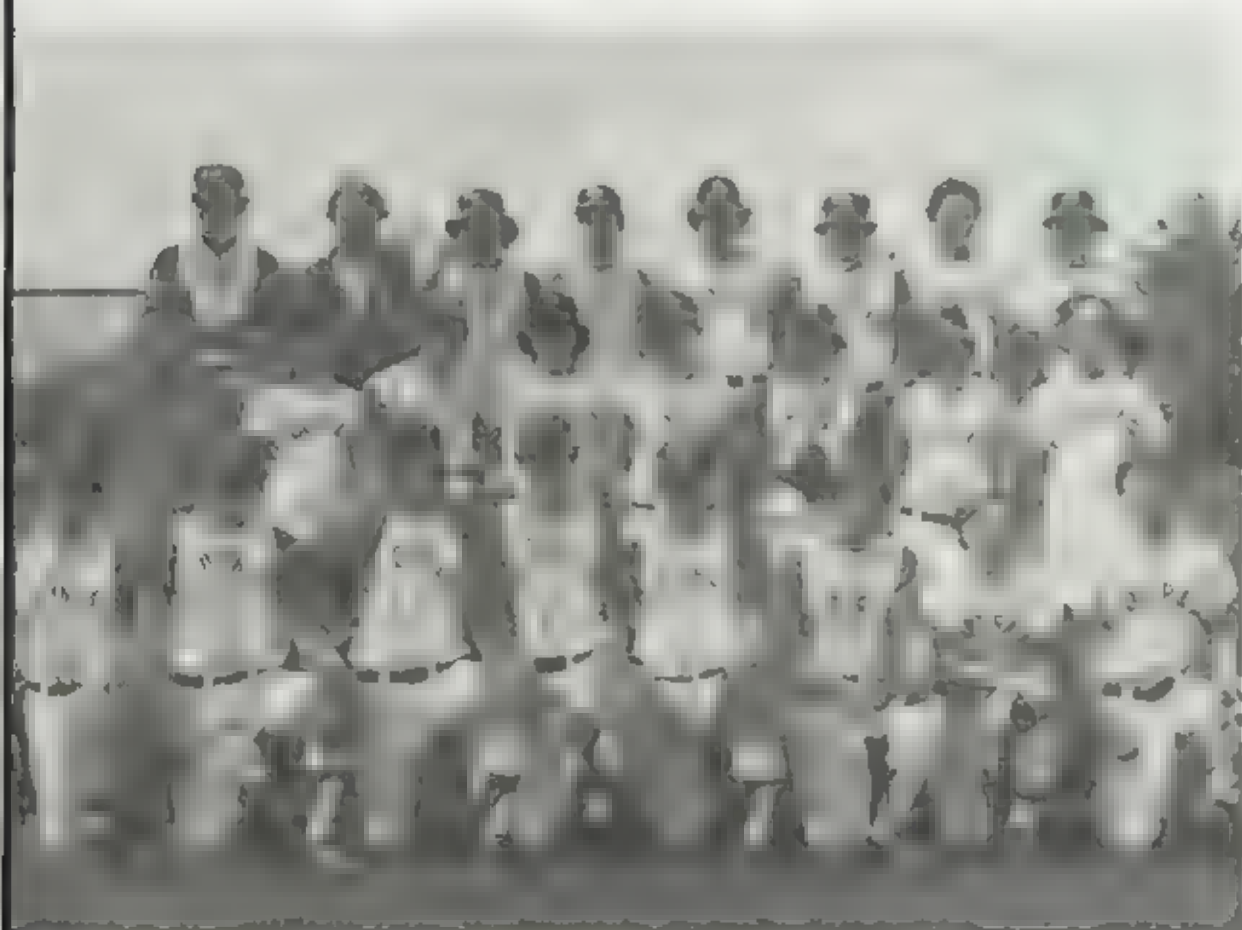

Bill Patterson, one of the team's strong batters, warms up and awaits his chance to prove himself. The team's outfielders, Dave O'Halloran and Bill Patterson, (opposite) were always awake and prepared for anything.

J.V. had a Strong Showing

In pre-league action the JV Baseball team had a record of 2 wins and 1 loss, defeating Amador twice and losing to Vanden. They had a good solid infield with Scott House at first base, Jim Cumbra at second, Kevin House at third, and Tony Morris at shortstop. The pitching staff was headed by Bob Worthey, Will Isaacs, Curt House, and Steve Myers. They had good speed and some very good hitters. In pre-season play, Dave Cornwall, Kevin House, and Tony Morris did outstanding jobs offensively.

The girls concluded their season by winning five matches and losing two matches to the experienced Nevada Union and Wheatland teams. The girls progressed in practice to end with a victorious record. This is only the second year for a girls team.

The boys team did not do as well, but in the forthcoming years they should do excellent playing. They were plagued by lost players and injuries. The team does have much potential and coach Piceno thinks they will surprise some of the league teams next year. He thinks this will be a year of experimenting. The team is lead by senior Willie Rupley and juniors Gary Gruwell, Scott Gruwell, Don Beadle, Mike Perry and Mark Williams.

Deby Womack was crowned 1973 Homecoming Queen, during the half-time activities of the El Dorado-Galt game. Deby was nominated by the Block E Society, then voted on by the Student Body. Deby and her court, Senior Princess Denise Cook and Janelle Pillow, Junior Princess Jamie Richardson, Sophomore Princess Kim Veercamp, and Freshman Princess Joan Reynolds, were first introduced at the memorable Rally. After school, they participated in the parade through town. On Homecoming Night, they rode around the football field in jeeps, and finally reigned over the highlight, the dance.

Deby was active throughout her high school years. She was a member of Girl's League, CSF, Spanish Club, Trackettes and was a Candy Striper. Her hobbies include sewing and gymnastics. Her goal is to be a Social Worker.

Below: Deby and the 1972 Homecoming Queen Jill Zaramskas reminisce about their Homecoming experiences.

Kathy and Don Elected Riffle King and Queen

This year the riffle staff unanimously chose Kathy Brown and Don Arundell as its Riffle Queen and King. Both Kathy and Don proudly represent our school's spirit and warmth. They are known school-wide for their squirrely personalities, friendliness, and high academic achievements. Kathy enjoys sewing, snow-skiing and bike riding. Janae Stowe is a Semi-finalist on the National Merit

The semi-finalists are the highest scorers on the PSAT/NMSQT in each of the 50 states. Only semi-finalists can advance to finalist status and can be considered for Merit Scholarships. About 15 000 semi-finalists are named in each annual Merit Scholarship program. This number is approximately a half of one percent of the nations total graduating high school Seniors.

Bottom Left Janae Stowe has shown high academic abilities throughout her high school career, and is very deserving of this high honor. Despite her hard studying Janae still manages to keep on smiling.

Bank of America Awarded Outstanding Students

The Bank of America's Achievement Award has developed into one of the most highly respected student awards in the nation

A faculty committee selects twelve outstanding students in twelve specific academic fields, to receive certificates of achievement. Then the committee chooses its top students in each of four general study fields: Fine Arts, Liberal Arts, Science and Mathematics, and Vocational Arts. Students receive plaques and become eligible for zone events.

Top Right The plaque winners are (left to right) Jay Winkler, Science and Mathematics, Sarah Blair, Liberal Arts, Holly Shannon, Fine Arts, and Jeff Schimki, Vocational Arts.

Bottom Right Kathy Brown, English Department Winner, selects only books of a high classical background.

(Top Left) Florci talks at A F S assembly (Upper Right) Florci with friends Irma Cruz and Minerva Cruz (Lower Left) Florci talking with Irma Cruz in the cafeteria

My year as one of the El Dorado High school students has added and taught much to me. Since the first day here the friendliness and sympathy of all members of the school helped me to feel self confidence and security. Maybe nobody can understand the great meaning of an AFS Scholarship until they live it, but one of the best things of that experience is that you learn so much about yourself and about the people. I can say, in my case, the AMERICAN FIELD SERVICE has achieved one of its main purposes, that is, give to the student the best educational experience possible. I am really grateful to it for this wonderful opportunity. My American family is just marvelous, they have given me a year full of happiness, love and joy, while I don't have words to thank them so much for everything, the same as my wonderful family back in Costa Rica, and the Lord Our God, that made real my golden dream. From now on, the beautiful memories of my time at El Dorado, at the small city of Placerville and at our country of Cedar Grove will live forever in my mind and in my heart.

Newspaper Staff "The Way They Were" Most of the Time

The newspaper staff worked to publish a school newspaper, on a regular basis, to inform and entertain students, and with the hope of a school newspaper becoming part of the curriculum. They worked to make the newspaper interesting to students by changing the name of it on every issue and dedicating it to school life. THE SUNSHINE TIMES, GOOD NOOSE-BAD NOOSE, and COUGAR TAILS were some of the names tried. As a result a journalism course was added to the class offerings for next year.

Community Marked End of Era In Funeral Service

February 8, 1974, the main building of El Dorado High School was laid to rest in a solemn funeral ceremony marking its demise. The funeral began with a procession up Canal Street to the front lawn of the school, where Jane Edison gave the invocation. Miss Johnson gave remarks and Preston Roundtree gave the committal. Spencer Weston presented a plaque to be placed in the new school in commemoration of the old building. The El Dorado Choir (top right) sang "There's Got To Be a Morning After" and Mr. Long, a Board member and former principal (bottom left), gave the eulogy. The school band culminated the ceremony with a stirring rendition of the "Alma Mater" (top right). Father Bob Hennessey lent an air of religious fervor to the gathering with his benediction (opposite).

The funeral was organized and publicized by the Funeral Committee headed by Jody Tompkins and Sue Garrett. Other members included Janice Williams, Spencer Weston, Linda and Laura Redmond. The committee planned the funeral and designed a plaque in dedication to the old building.

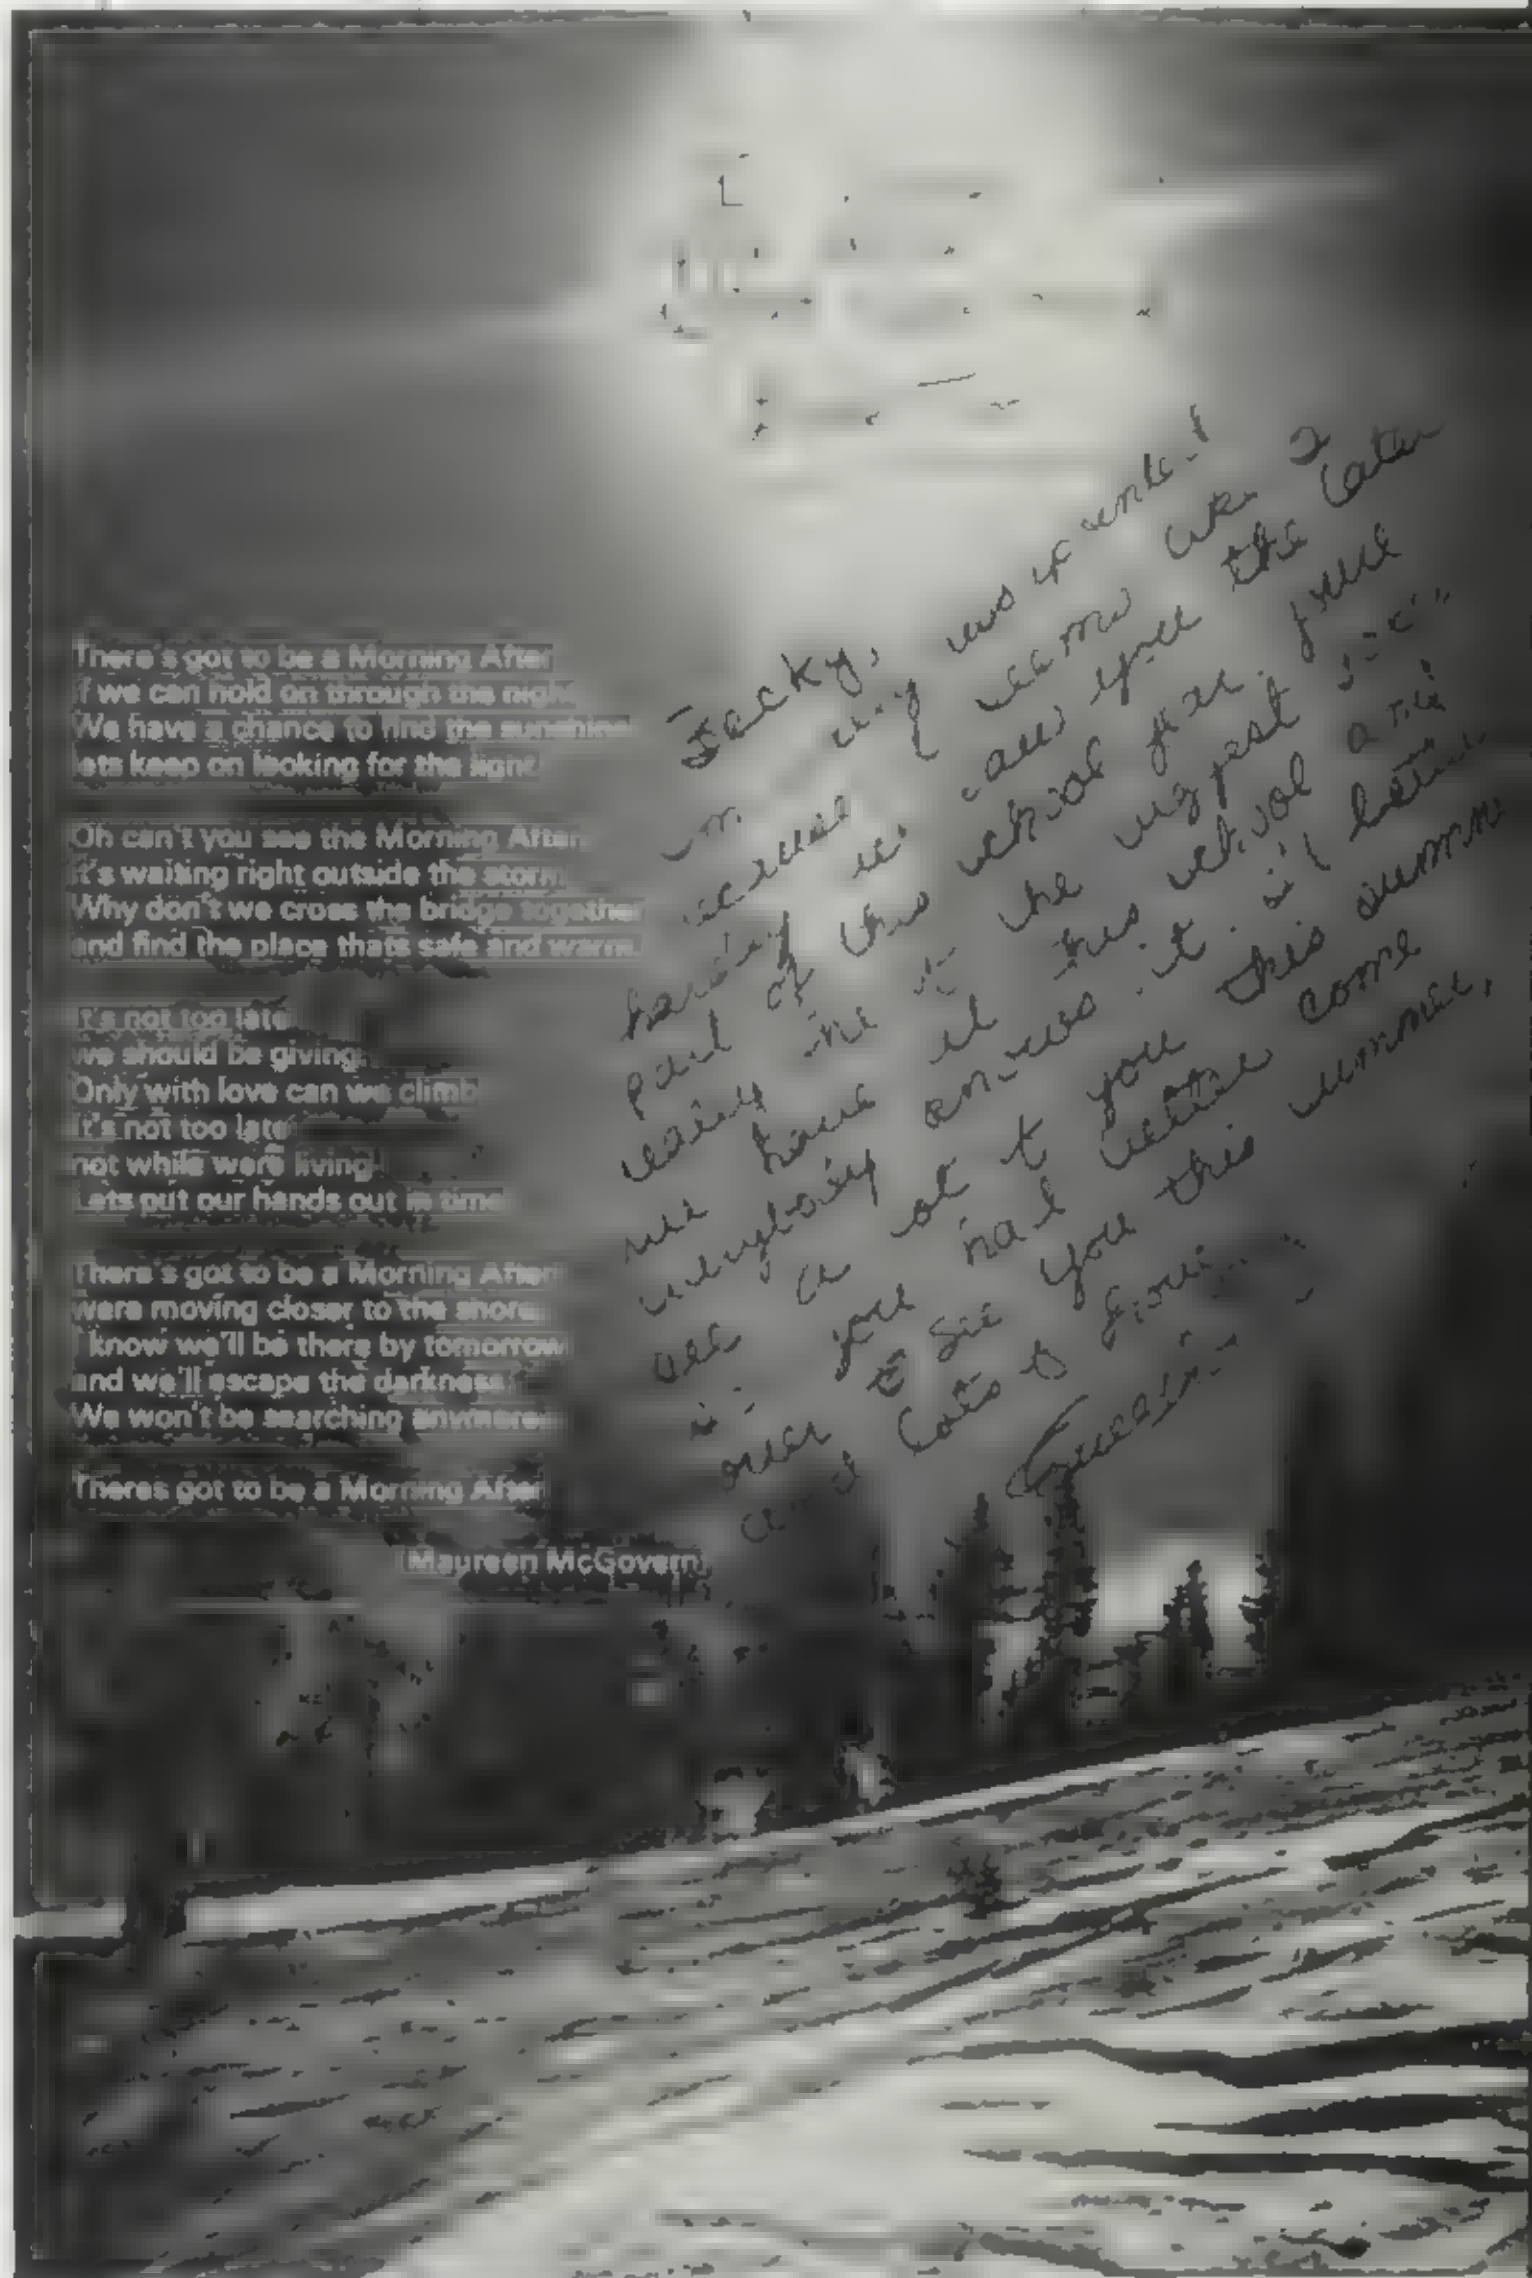

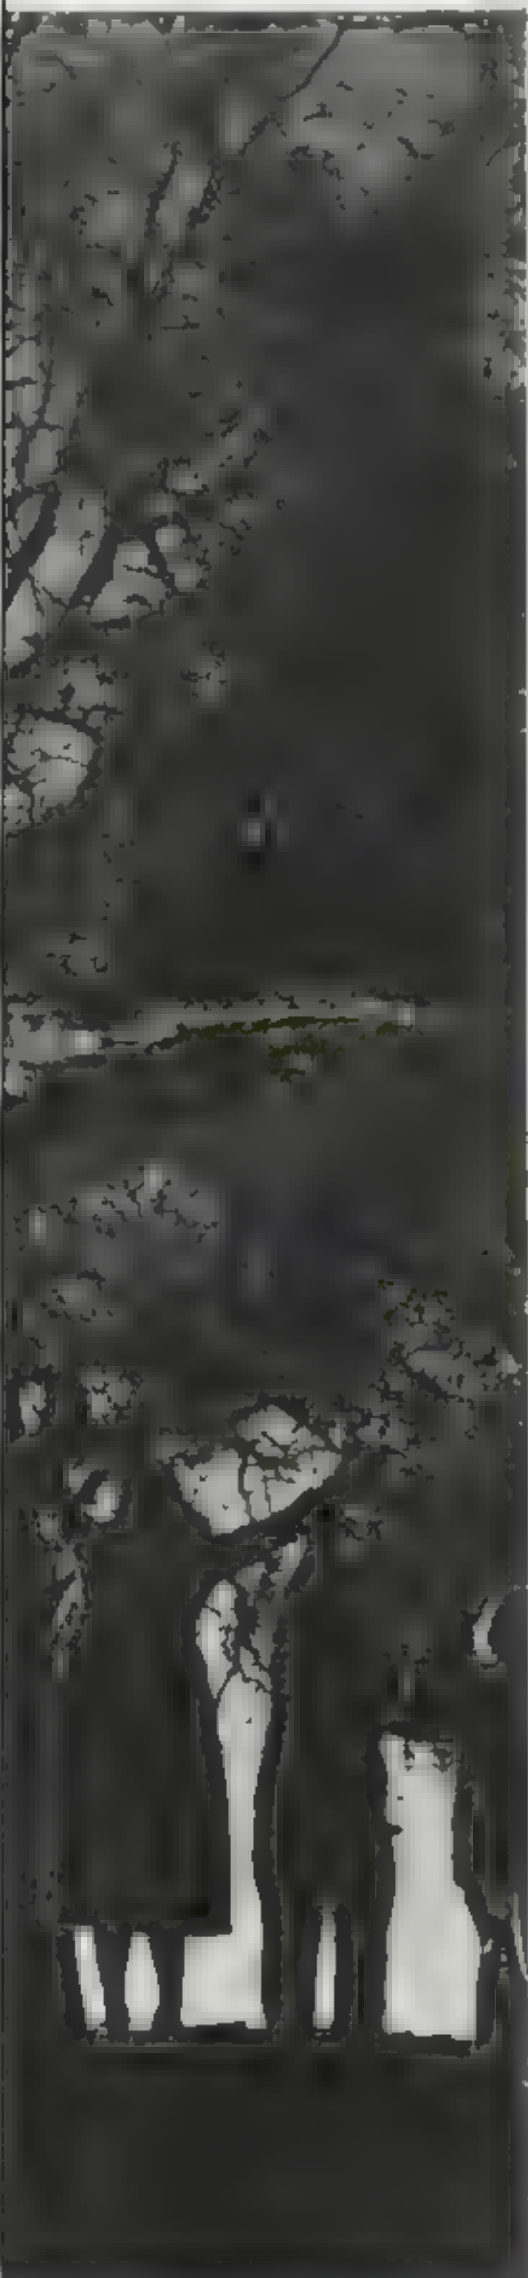

Going, Going, Gone

The destruction of El Dorado High's main building to many seems to be a great loss, but not to Brigg's and Weston who were awarded the contract to demolish the main building which they did most of the school year. Students attended classes amid the turmoil of air hammers, bull dozers, and trucks, grinding away, carrying fragments of the old building and for many of us the memories of past years. We must remember too, that progress plays an important part in our memories. As we move on to bigger and better things, so must the world around us.

There's got to be a Morning After
if we can hold on through the night
We have a chance to find the sunshine
lets keep on looking for the light

Oh can't you see the Morning After
it's waiting right outside the storm
Why don't we cross the bridge together
and find the place thats safe and warm

It's not too late
we should be giving
Only with love can we climb
It's not too late
not while were living
lets put our hands out in time

There's got to be a Morning After
were moving closer to the shore
I know we'll be there by tomorrow
and we'll escape the darkness
We won't be searching anymore

Theres got to be a Morning After
